

Technical Rider for Birkett Hall

(Birkett Hall is 2 people)

Needed from Sound personnel:

- 2 boom type mic stands for ted and ea with mic clips
- 2 DI boxes for Ea
- 2 Di boxes for ted
- 1 senheizer or sm 58 for ted vocals
- phantom power 48v for ea's personal microphone (ATM 710)
- 1 electrical power bar on stage
- 2 stage monitors

Mixer channels:

- 1 - Vocal Ea
- 2 - Vocal Ted
- 3 - Guitar Ea (from personal preamp/DI box)
- 4 - Guitar Ted (from personal guitar pedal to your DI Box)
- 5 - Kick from Ted (from personal Kick piezo pickup to your DI Box) *
- 6 - Kick from Ea (personal instrument piezo pickup to your DI Box)
- 7 - stick percussion (from personal instrument to your DI Box)

* If you also have a plate mic or cahon type mic with a short mic stand on stand-by, it might be used to replace the channel 5 Ted's kick piezo (it is a nice option to have but not absolutely necessary).

We always bring everything necessary (guitar cables etc.), for us to plug into your DI boxes. We are looking forward to working with you :)
