

Mac Èron Press Kit Bio

Mac Èron is American Roots musician and songwriter from Seattle, Washington living in Munich, Germany. Èron is an expert in early acoustic blues and jazz music and is known for his rousing renditions of old American folk songs. Over the past decade Èron has recorded and toured the US and Europe with groups such as Modern Bygones, Honeysuckle Rye, and Sebastian and the Deep Blue. As a solo performer Mac Èron plays guitar, clawhammer banjo, and sings. Èron has recently released the new single "Every Shade of Green" which can be found on all streaming platforms.
